Annual
Report

2021-2022 Annual Report

Dear Supporters of Atlanta Girls' School,

Thank you for your philanthropic support during the 2021-22 academic year! Your contributions helped our students learn to lead lives of purpose in myriad ways. The year brought the launch of Leadership Labs and the return of global travel. We added a learning specialist to better serve the needs of our students. Our new alumnae from the class of 2022 were accepted by some of the best schools in the nation and most importantly, to schools where their unique gifts can flourish.

Total philanthropic support for Atlanta Girls' School came to \$761,000 in our 2021-22 fundraising year. The collective generosity of our community enriched the AGS experience by supporting faculty and staff, helping continue our signature programs and launch new ones, and providing financial assistance to students whose families are unable to pay the full cost of tuition. When you contribute philanthropically to Atlanta Girls' School, you support students who will leave our campus ready to take on life's next challenges—and the faculty who pour themselves into readying these students to change the world in their own ways.

We are most grateful.

Sincerely,

Kimbrell Smith

Annual Giving

Atlanta Girls' School is fortunate to have a strong tradition of support from our school community members, as well as numerous organizations and foundations. During the 2021-22 academic year, AGS received 15% of its total revenue from contributions to The Fund for AGS and tax dollars redirected through the Georgia Education Tax Credit program. We are profoundly grateful to the more than 350 contributors listed in this publication for their generosity.

Charitable contributions and redirected tax dollars provide much-needed funds for the school, making up 10% to 15% of the school's income each year. These additional dollars impact every area of campus life, such as professional development, curriculum improvements, technology updates, additional support for athletics and arts, and Tailored Tuition. With commitments from our donors, AGS students receive an exceptional educational experience where each individual can be their authentic self, encouraged and inspired to lead lives of purpose.

Thank You Donors

The Fund for AGS makes it possible to maintain small class sizes, attract and retain the best faculty, and provide an exceptional educational experience at Atlanta Girls' School while keeping tuition as affordable as possible. We are grateful to the following donors for contributing nearly \$550,000 to our school's most critical fundraising effort with a gift to The Fund for AGS.

Founder's Circle: In recognition of the founding of AGS in 2000, the donors listed have contributed \$2,000 or more to Atlanta Girls' School.

Laurel Leaf: The Laurel Leaf Circle recognizes those whose gifts demonstrate an annual commitment to Atlanta Girls' School between \$1000 and \$1,999.

GA Education Tax Credit

To increase tuition affordability for our families, Atlanta Girls' School partners with a Student Scholarship Organization so that Georgia taxpayers can redirect a portion of their tax dollars to support need-based financial aid at AGS. We are grateful to the community members listed below who provided more than \$217,000 in financial aid to our school.

November 5th Society

Recognizing individual donors who support the Atlanta Girls' School Annual fund at the \$5,000 level and above. The Society was named in the honor of the first gift made to AGS by a non-founder—on November 5, 1998.
