annual report

2020-2021 annual report

Dear Supporters of Atlanta Girls' School,

Thank you for your philanthropic support during the 2020-21 academic year! Our beloved school faced many transitions and changes as COVID-19 continued as a global crisis. When the Board of Trustees announced my appointment to the Interim Head of School position, many of you welcomed me with openness and enthusiastic partnership. Your faithfulness to the people and purpose of Atlanta Girls' School was evident even before I officially took the reins as Interim Head of School in July. It is a joy to pursue our shared mission together.

Total philanthropic support for Atlanta Girls' School came to \$870,000 in our 2020-21 fundraising year. These contributions bolstered our school in the midst of the year's unique challenges—and also continued to inspire girls to lead lives of purpose and impact. Our 20th anniversary celebrations, while different from what we had envisioned in a pre-COVID world, reminded me over and over again of your irreplaceable impact. Your gifts build upon the legacy of Atlanta Girls' School. Your support exponentially enriches the lives of our students and alumnae. When you join with fellow donors, your collective generosity makes our mission come to life.

This year, our school community is taking inspiration from the Founders' Charge as we commit to choosing courage, integrity, and wonder as our companions. Again, I am reminded of our donor community. Your support gives us the courage to take bold steps, the integrity to be true to ourselves, and the wonder to see new possibilities. We are most grateful.

Thank you,

Kimbrell Smith
Interim Head of School

APOGEE TAX CREDIT PARTICIPANTS 2020-2021

To keep tuition as affordable as possible for AGS families, Atlanta Girls' School partners with the student scholarship organization, Apogee. This program allows Georgia taxpayers to receive a dollar-for-dollar credit on their state taxes by redirecting a portion of their taxes to a Georgia independent school.

When participating in this program, Atlanta Girls' School community members pay a portion of their state taxes directly to Apogee and, in exchange for a tax credit, designate AGS as the recipient of those funds. That donation, in turn, is directed to financial aid for students at AGS. Because of the individuals listed below who partnered with Apogee and Atlanta Girls' School, our school was able to offer an additional \$100,000 in financial aid to AGS families in 2020-21.
