

Middle School Aftercare 2019-2020

Point Person: Sundayah Reid

Contact sreid@atlantagirlsschool.org

Location: Middle School Dining Hall

- Students must arrive in MS Dining by 3:30pm. Attendance is recorded.
- Students are to remain under supervision until called by Front Desk and signed out.

Sports Concerns/Conflicts:

If a MS student has a US **sibling** (or MS sibling playing at the JV or varsity level) who is involved in a sport, the MS student may attend after care for no charge if the US sibling has practice. The MS student is expected to leave aftercare at the conclusion of practice/game. This applies in season only, and MS students are not to attend the US practices. MS aftercare ENDS at 6:00pm, and parents are asked to respect this closing time regardless of US student commitment. Parents will be charged the standard late fee if students are not picked up by 6:00pm.

If a MS student athlete is in a **carpool*** with a US or MS student athlete who is not a sibling, the MS student athlete may attend after care for no charge **until the end of the last practice time of the carpool members**. This applies in season only, and MS students are not to attend practices of other students. MS aftercare ENDS at 6:00pm, and parents are asked to respect this closing time regardless of other students' commitments. Parents will be charged the standard late fee if students are not picked up by 6:00 pm.

***Parent/carpool adult must come in to sign out MS student, and MS student's parent must completed the authorized pick up form.**
